robbysalz.com | 817.458.6587 | robby@robbysalz.com

Data-driven creative professional with a heart for marketing and over five years of experience. Brings a sharp sense of detail and strives for perfection in digital and print production, photography and art direction. A valued team player who loves collaboration and clear communication to assess needs.

## SELECT ACHIEVEMENTS

---

- Created ads with both national and targeted local reach, including Dallas Business Journal and DCEO Magazine
- Photographed seminars and lectures at the 2013 University of Dallas Ministry Conference, an event hosted by UD with over 5,200 attendees
- Contributed to university viewbook redesign, which was awarded a CASE district IV 2013 Honorable Mention
- Developed integrated marketing department by helping establish design branding standards, file naming conventions and server folder organization

## EXPERIENCE

---

- 2013-2014 Online Marketing & Communications Specialist, University of Dallas | Irving, TX
- Maintained the university's public website—a site with over 100,000 unique views a month
  - Designed digital advertising materials for distribution on major online ad networks
  - Provided content management system support and training for over 80 content managers
  - Implemented inbound marketing campaigns consisting of landing pages, optimized lead forms, A/B testing and e-mail automation using SEO best practices and engagement tracking
- 2011-2013 Graphic Designer, University of Dallas | Irving, TX
- Key creative for several large-scale initiatives including university's front-end main website redesign and national campaign advertising AACSB accreditation
  - Designed from concept to print and worked with vendors to ensure highest quality prints
  - Instrumental in university's efforts to project professional and consistent branding and messaging
  - Maintained consistent visual identity across a variety of traditional, digital, and web communications based on university style guidelines
- 2008-2011 Production Artist, Mulholland Custom Imprints | Fort Worth, TX
- Sole creator of client deliverables in fast-paced, deadline-oriented environment
  - Presided over art department workflow; set up artwork, proofs and color separations
